## Additional Final Round Invitations

Following further internal deliberation and in view of the exceptionally competitive score margins near the qualification threshold, the Organising Committee has decided to extend Final Round invitations to an additional six (6) teams.

This decision was made to:

- Recognise the extremely narrow score differences near the cutoff point,
- Maintain competitive fairness,
- Ensure broader representation in line with the international spirit of NTU BDC.

These additional teams will join the Final Round under the same rules, judging criteria, and evaluation standards as all other finalists.
